OUR SELECTION OF LOOSE LEAF TEAS, COFFEES & HOT DRINKS

English Breakfast

A hearty blend of black tea from pure Assam leaves grown in Northeast India in the Brahmaputra Valley. With a robust character and lively flavour this bright, strong blend has a strong and refreshing taste.

Earl Grey

Made to a traditional recipe using large Chinese black leaves scented with Bergamot oil to give a light, slightly smoky and zesty flavour that is subtle, and not too lemony. Blended to be good with milk.

Green Dragon

Green Dragon Aromatic Loose Leaf Tea is a feisty lemon and ginger blend made with specially selected green tea from the mountain farmers of South Eastern China. The Green Tea base is blended with lemon peel, ginger, lemongrass, ginseng and natural lemon flavour to give a wonderfully light yet warming tea with citrus notes.

Strawberry and Cream

A British inspired infusion with a classic English Summer taste. Blended from real dried strawberry pieces with hibiscus, rosehip, natural strawberry and vanilla flavouring, our Strawberries & Cream Infusion is naturally sweet and very fruity with a tangy taste

Darjeeling

Also known as the 'champagne' of teas, this is a speciality tea with a very distinctive aromatic and refreshing flavour. Golden, elegant and fragrant, this loose leaf tea is a fantastic drinking experience that is sure to impress.
